Dear Vickie and Jim,

It is a beautiful morning and I am going to leave soon for Mareys and we are going out to South Center and shop and have lunch. Of course the baby will be going also. She stands alone now and any time will start walking.

Dad is going to take the next two weeks off and he can hardly wait. We will spend some of the time at the cabin and we also plan to go to the ocean. We will always be back for week ends so we can have the baby as usual.

Mike's father had open heart surgery yesterday and is getting along fine.

Gail and Jim go out on their boat often and last week and they

left Gail's dog on the boat on his
chain while they left and when
they come back the dog had strangled
itself. Poor Gail. She loved the dog
and had given it away when she
lived in the apartment and then when
she got married they gave it back to
her.

Everyone is free.

Love,

Mom.
